# FREE MEDICAL CAMP 2019

Free Medical Camp was successfully conducted in July 2019 at Ladakh Heart Foundation in which more than 700 patients were examined by the specialist doctors.

Medicines, Sunglasses and Meals were provided free of cost to each and every patients by the **KOREAN BUDDHIST JUNG TOH DHARMA TEAM**.

The Korean Buddhist Team has donated a Blood Analyzer, an incubator for our lab and also donated 2500\$ for the medicines consumed during the camp and 1000\$ to the hospital.

We are highly indebted and thankful to all the ladakhi doctors and Korean team for their voluntary services and generous donations

# CHILDREN PARK

SPONSORED BY  
ASSOCIAZIONE BECHILDREN  
TORINO ITALY

The Children Park was sponsored by Associazione Bechildren Torino Italy. We would like express our deepest thanks for their generous donation and support. It is their dedication and commitment that we have been able to set up this children park at our hospital, it would keep the children away from various infections as ill parents often come to hospital along with their kids.

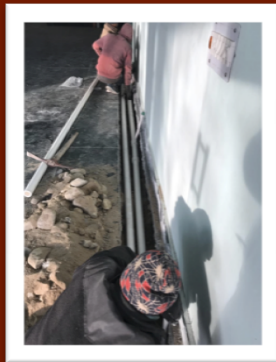

# WORLD ENVIRONMENT DAY 2019

Ladakh Heart Foundation has organized World Environment Day 2019 in collaboration with Ladakh Ecological Development Group(LEDeG), All Ladakh Tour Operator Association(ALTOA), and Ladakh Taxi Operators Cooperative Limited to deepen public awareness of the need to preserve the environment.

## INSTALLMENT OF HEATING SYSTEM AT LHF

During winter in Ladakh the temperature goes down to minus 15 – minus 30 and the patients had to wait in a queue for a long period of time in such freezing temperature therefore we have installed heating system at LHF hospital so that patients could visit and undergo health checkup comfortably, We are extremely thankful to **SHEILA KAR HEALTH FOUNDATION of USA** for sponsoring the heating system and your constant support .

## AWARENESS CAMPAIGN ON PLASTIC MENACE

Ladakh Heart Foundation has screened a short documentary film titled Foe in Phayul in order to show the effects of plastic pollution in Leh. Plastic waste production increases with an increasing tourism figures. Apart from tourism, the food consumption pattern of locals have also been changed and consuming packaged food adding more plastic. We work with the government to implement sustainable waste management and also have been raising awareness to minimize the waste production.

## ENDOSCOPY

During the period under coverage 1201 patients have availed endoscopy facilities. We are thankful to Dr. Tsering Norbu, physician and Dr, Ghulam Mohd, MBBS, MD Senior consultant , SNMH Hospital Leh who have carried out the endoscopy of patients. Endoscopy machine was generously donated by H.H Dalai Lama Trust which is used for the treatments of patients.
