

The ground floor of the hospital is completed and for the time being it is open for the public as a DAY CARE CENTRE with following staff and facilities – two doctors, a pharmacist, a laboratory technician, clerk and a watch man. X-rays, ECG, laboratory to carry out all the basic test and dispensary.

The main aim of Ladakh Heart Foundation is to come up with the need of a state of the art on diagnostic facilities, Operation theater and intensive care unit in the hospital for the benefit of Ladakh populace who cannot afford treatment outside Ladakh. Due to lack of equipment and other resources, we couldn't make the hospital functional for the indoor patient. First floor of the building will be completed next year. If possible we are looking forward to make it functional for the indoor patient also by 2008.

Hospital equipment is very costly. If you would like to sponsor, kindly, contact Lama Thupsten Chogyal, President, Ladakh Heart Foundation.

*Sherab Dolma
Receptionist*

Inauguration of the hospital was supposed to be done by H. H. The Dalai Lama, but unfortunately, he was unable to come due to his tight schedule. Thus, The DAY CARE CENTRE was inaugurated by eminent Cardio-thoracic surgeon Prof. Sampath Kumar of All India Institute of Medical Science, New Delhi on 8th September 2007. The occasion was graced by Prof. Mishra, Ven Lama Lobsang, Dr. Dolma CMO and members of L.H.F.

*Inauguration by
Prof. Sampath Kumar*

*President, LHF welcoming
Prof. Sampath Kumar*

Prof. Sampath Kumar and team have operated five cardiac cases, supported by L.H.F. and examine 200 follow-up cases from 4th – 8th September 2007 at S.N.M. Hospital, Leh. If the patient has to go to Delhi per patient they have to spend more than Rs. 100,000 to get operation. For a follow up patient has to visit Delhi once a year. The team's coming to Ladakh has thus benefited many people.

Foundation stone of Henley Medical Aid centre laid by Mr Tsering Dorjay, Chief Executive Councillor, Leh on 24th of August 07.

The Foundation stone of Henley Medical Aid Centre sponsored by Association Christophe Viard was laid by Mr. Tsering Dorjay, Chief Executive Councilor, Leh on 24th August 2007. It was graced by the Executive Councillor Health, Henley Councilor, CMO Dr. Dolma and more than 100 local people. They are very happy and appreciated the project. The foundation of the building is already done and next year the whole building will be completed.

We are thankful to Miss Stanzin who introduced us to Christophe Viard Association.

The link road to hospital has already started with the help of Ladakh Autonomous Hill Development Council.

We are thankful to Mr. Rigzin Jora, Minister of Power to provide funds to drill the underground water supply.

We are also thankful to the head of the Singaporean Chen Xian temple who are sponsoring the salary of our lady doctor.

Government making link road connection to LHF

**Ladakh Heart Foundation Leh was organized
World Heart Day 30-9-2007**

11 am at Ladakh Heart Foundation

Hospital & Research Centre, Dambuchan, Agling

The Chief Guest Sh. Tsering Dorjay, Chief Executive Councilor, LAHDC, Sh. Dorjay Mutup, Executive Councilor Health, Dr. Phuntsok Tsering, Deputy CMO, Dr. Norphel, BMO, Students from various schools and local people participated.

Patient visit for medical check up

Research Project

28th October 2006 - Ven. Thupsten Chogyal and Dr. Norbu were invited to Tokyo, Japan for the International conference to present their research paper. There they met Prof. Harvard renowned Scientist of Harvard University, USA and discussed about the research collaboration with Ladakh Heart Foundation in the near future. We are grateful to Prof. Kuniaki Otsuka of Japan for inviting us for the international conference. We published many research papers with him (Tokyo Women's Medical University)

*T. Chogyal
President LHF*

Lama T. Chogyal, President and members of LHF are grateful to all the people who supported – morally, financially and physically so far. We hope you will continue the support.
